Thinking fuel

Thinking Fuel is the oil buying scheme run by AF-Affinity, Anglia Farmers bulk buying arm. Our aim is to try and provide communities with cheaper fuel. The scheme works on a community basis which means a local community group needs to be set up in your Parish before you can register.

this is set up and there is NO JOINING FEE

AFFINITY FUEL

We pool together fuel orders and negotiate directly with suppliers, helping fuel syndicate members save on their heating oil.

They also benefit from a straightforward process with just one single point of contact. Affinity Lifestyle and Business members can purchase heating oil and bottled gas with significant savings.

We can supply kerosene (heating oil), bottled gas, bulk gas, fuel additives and fuel cards.

AFFINITY LIFESTYLE

We can provide a complete solution to buying everything you need for your home and garden.

Being a part of Affinity Lifestyle means you no longer have to search for the best price, we will do it for you, saving you both time and money. What's more, our buyers can also advise and guide you.
