

Message from your Engagement Officer

Speeding continues to be a concern for many communities across North Norfolk and is often raised at SNAP Priority Setting meetings.

In an effort to tackle this common complaint Community Speed Watch was launched in 2007 and is a project working across Norfolk empowering communities to play an active part alongside the Police and the Safety Camera Partnership in tackling the problem of speeding in their neighbourhoods.

We currently have 11 teams across North Norfolk with several more villages and streets interested and trying to find enough volunteers to start.

If you would like to get involved or find out more please contact me on 101 or email davisonp@norfolk.pnn.police.uk for an informal chat about the scheme.
