

Ashmanhaugh & Barton Wanderers Cricket Club

Encourage, Support and have FUN

From the boundary.....

The cricket season is now in full swing and the club have welcomed many new players for the 2018 season, from age 5 upwards!

We are also delighted that local businesses have chosen to show their support of our club by becoming ABWCC sponsors; we have welcomed into this group The White Horse, Neatishead, Wroxham Builders, Colchester Inns, Andy Payne Painter & Decorator and Norwich Electrical Installations. They are joining our existing sponsors and main club sponsor Broads Tours.

The Barton Turf ground saw two super victories over the weekend of 12th/13th May, the Saturday 1st XI beating Martham and the Sunday XI beating Barney & Fulmodeston. Our Saturday 2nd XI narrowly lost to Diss A. It's promising to be a great season.

All fixtures are available on the club website www.abwanderers.org.uk and a "live" match day commentary is provided as often as possible via Twitter and Facebook – follow the club to receive all news and updates.

The club are also delighted to have 3 of our girls selected for County teams this season, representing Norfolk in the Under 13 and Under 15 age groups. Well done girls!

We are once again participating in the ECB All Stars, providing a fun introduction to cricket for all 5-8 year olds; this is an 8 week course taking place on Friday early evenings. Our club juniors are shaping up to be super stars themselves too, junior training is available to all, from age 5 upwards, the first session is free so come along and have a go! Friday from 6pm at Barton Turf (Hall Road), the bar is open for refreshments and a barbecue is always on the go! Junior home matches are played at our Ashmanhaugh pitch.

Look out for our Under 19 team, The Barton Spartans, who are aiming for the T20 title this year after being runners up to Fakenham in 2017!

Senior training is on Thursday evenings at 6pm, Barton Turf and again everyone is welcome, it's always great to see new faces, and a few returning old faces!

Come along on a match day and join us, there really is no better place to watch the cricket while enjoying a glass of something cool!
